GROW

GIH offers advice, consultation, and support from a team of seasoned philanthropic experts, who have served with distinction in senior leadership roles at health foundations. Learn more about Enhanced Technical Assistance here: <http://www.gih.org/About/about.cfm?ItemNumber=8755>.

GIH staff are on hand to provide strategic advice to Funding Partner organizations. Our one-on-one assistance goes beyond what funders may find on their own; we have numerous resources at our disposal, including the ability to connect you with others who are working on the same issues. Submit a request here: <http://www.gih.org/applications/forms/FormDisplay.aspx?FormID=62373>.

GIH offers a Peer Review process, which engages an experienced team of foundation leaders as a set of "outside eyes" to consider the strategy and operations of another foundation. Learn more about Peer Review here: <http://www.gih.org/About/content.cfm?ItemNumber=9046>.

Funding Partners can post positions to the GIH Job Board, which exclusively advertises positions in health philanthropy: <http://www.gih.org/Jobs/?navItemNumber=508>.
