

The Safety Net Horizon

Monitoring the providers serving vulnerable Coloradans

November 3, 2011
**Grantmakers in Health
 Fall Forum Issue Dialogue**

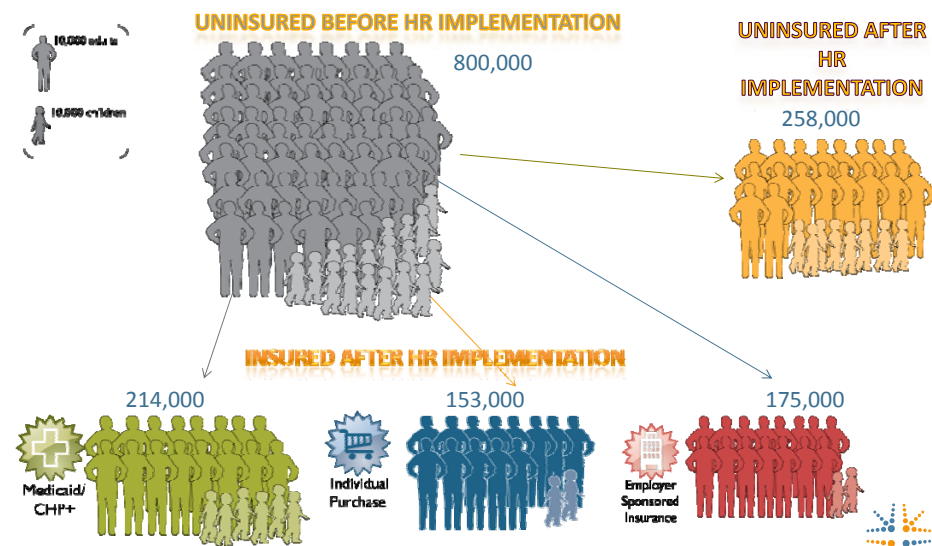

Bird's eye view of Colorado's safety net

Monitoring demand after health reform

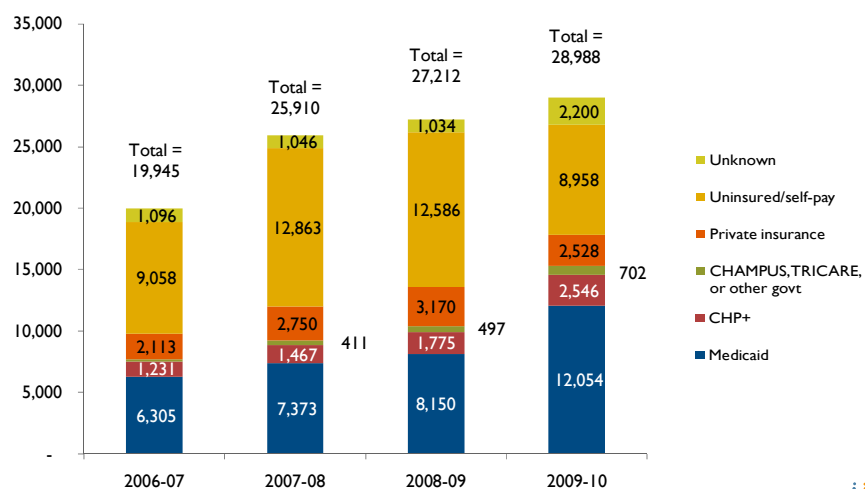

Coloradans' insurance status after state and national health reform

SOURCE: CHI analysis of 2008-2009 Colorado Household Survey and 2008 American Community Survey

Monitoring capacity

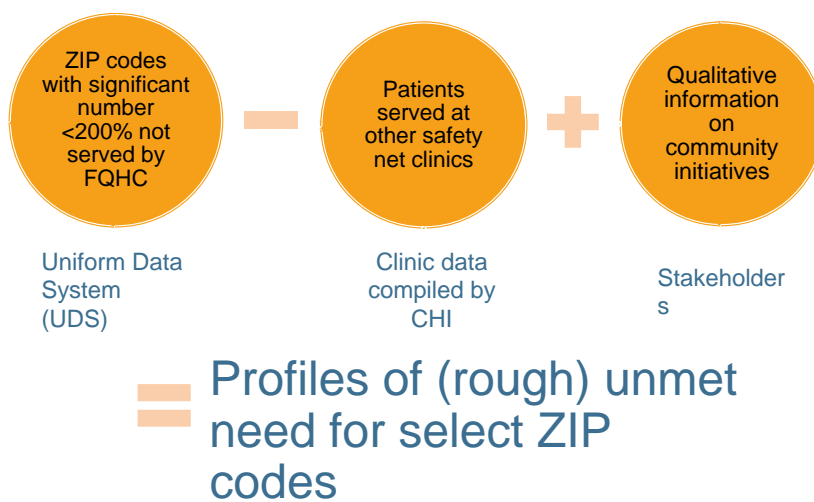

School-based health center users by insurance source, Colorado, 2006-10

Source: CHI/CASBHC Annual Survey of School-based Health Centers

Preparing for prioritization: A case study

**5 themes on the
safety net horizon:**

- Doing more with less
(and less...)
- Medical homes and
accountable care
- Where's my PCP?
- Where's my specialist?
- Who will be left behind after
health reform?
