

Funding the Big Idea: How to Build a Coalition to Effect Health System Change

Aetna Foundation, Inc.

Connecticut Health Foundation

Donaghue Foundation

Foundation for Community Health

Universal Health Care Foundation of Connecticut

The Connecticut Health Care Survey

Our Purpose:

- To design, administer and support a state-wide survey of patient views on health care quality in Connecticut through a funding collaborative
- To generate needed health care data to drive health improvement efforts in Connecticut
- To provide needed baseline information to better address the gaps in the health care system
