Outreach

Best Practices for Meeting with Members of Congress and Staff

- 1) Decide who to meet with—Members of Congress and personal office staff favor meeting with constituents. Committees will meet with national groups.
- 2) Send a meeting request (call office if you don't know who to meet with).
- 3) Provide a clear list of topics you want to discuss.
- 4) If you have a specific ask, make it clearly.
- 5) Prepare talking points to use in the meeting and any leave behind materials.
- 6) Send a thank you note to follow up and stay in touch.
- 7) Play the long game to build relationships. You may not get what you ask for if you just meet once.
- 8) Recognize that staff change frequently, and Members of Congress move around too, so keep in contact and reiterate your asks and recommendations.
